

Dear, Court Commissioner

6-10-24

My name is Latonya Hayes I am currently being held in MCIW. I have seizures & have had one back 2 back just two weeks ago. I woke up from it & had tried 2 call the officer, when I finally got her attention I was escorted 2 infirmary. Where I was told my room is extremely 2 hot so I was moved but this room is just as bad. I had got a pass from medical 2 get a loaner fan since I can't afford one but still nothing. The building I'm housed in has no air & only one fan I'm begging you 2 please move me 2 a facility. That may accommodate my health condition since my seizures are trigger by heat & there is no outlet here in this facility 4 me thank you so much 4 taking the time & hear me out. Please help me ASAP.....
